**Subject: Appreciation for 100% Results in Class 12th Board Examinations 2024-25**

I am writing to formally extend my sincere congratulations to the entire school community for achieving an outstanding 100% result in the Class 12th Board Examinations. This significant accomplishment is a testament to the exceptional leadership of the principal, the dedication and hard work of the teaching staff, the commitment of the students, and the invaluable support of the non-teaching personnel.

Such an achievement not only reflects your collective efforts but also sets a high standard of academic excellence within the EMRS network. The values you have demonstrated—discipline, determination, and a commitment to success are commendable and serve as a model for other institutions to emulate.

As we celebrate this milestone, I encourage the school to uphold this momentum in all future Board Examinations. I recommend conducting thorough subject-wise performance reviews and employing targeted strategies for continuous improvement to ensure sustained academic growth.

At the same time, I urge all principals not to rest on the achievement of a 100% pass percentage alone. While this reflects a strong foundational effort, we must now shift focus towards enhancing the overall academic quality. Efforts should be made to increase the number of students scoring in higher grade brackets (above 90%) through strategic academic planning, remedial support, and enrichment activities. Let us aim not just for passing, but for excellence.

Once again, I commend each member of your esteemed EMRS for this remarkable success. I look forward to witnessing your continued achievements and contributions to the field of education.

Warm Regards

  
(Ajeet Kumar Srivastava)  
Commissioner, NESTS
